

March 2025

Glen Earrach Pumped Storage Hydro

Environmental Impact Assessment Report

Volume 5: Appendices

Glen Earrach Energy Ltd

Volume 5: Appendices

Table of Contents

Chapter 2: Project and Site Description

- 2.1 Dochfour Weir Upgrade Description
- 2.2 Letter from Scottish Canals

Chapter 3: Evolution of Design and Alternatives

- 3.1 Outline Construction Environmental Management Plan

Chapter 4: Approach to EIA

- 4.1 Scoping Opinion
- 4.2 Consultation Tracker
- 4.3 Gatecheck Report

Chapter 6: Landscape and Visual

- 6.1 Landscape and Visual Methodology
- 6.2 Landscape Assessment
- 6.3 Visual Assessment
- 6.4 Outline Landscape and Ecology Management Plan

Chapter 7: Terrestrial Ecology

- 7.1 Method for Ecological Impact Assessment
- 7.2 Statement to Inform HRA
- 7.3 Habitats
- 7.4 Mammals
- 7.5 Biodiversity Net Gain
- 7.6 Outline Peatland Restoration Plan

Chapter 8: Ornithology

- 8.1 Ornithology

Chapter 9: Aquatic & Marine Ecology

- 9.1 Aquatic Ecology Baseline Report

Chapter 10: Water Environment

- 10.1 Water Framework Directive Assessment
- 10.2 Private Water Supplies Assessment
- 10.3 Geomorphic Baseline and Watercourse Crossings
- 10.4 Outline Water Management Plan
- 10.5 Loch nam Breac Dearga Chemistry Results
- 10.6 Thermal Stratification Literature Review

Chapter 11: Flood Risk & Water Resources

- 11.1 Water Resource Assessment
- 11.2 Flood Risk Assessment

Chapter 12: Cultural Heritage

- 12.1 Gazetteers of Designated and Non-Designated Heritage Assets
- 12.2 Site Photographs

Chapter 13: Access, Traffic & Transport

- 13.1 Transport Assessment
- 13.2 Framework Construction Traffic Management Plan

Chapter 14: Noise & Vibration

- 14.1 Acoustic Terminology
- 14.2 Baseline Sound Monitoring Details
- 14.3 Acoustic Model Input Data

Chapter 15: Geology & Ground Conditions

- 15.1 Material Management Appraisal (MMA)
- 15.2 Outline Peat Management Plan (oPMP)
- 15.3 Preliminary Peat Landslide Hazard and Risk Assessment

Chapter 16: Socioeconomics, Tourism and Recreation

- 16.1 Outline Access Management Plan
- 16.2 Recreation and Tourism Features within 5 km of the Proposed Development Site

Chapter 17: Climate

- 17.1 Climate Change Risk Assessment
- 17.2 In-combination Climate Change Impact Assessment

Chapter 18: Forestry

- 18.1 Woodland Report - Loch Ness
- 18.2 Woodland Report - Glen Urquhart Wood

Chapter 19: Summary of Effects and Conclusions

- 19.1 Mitigation Register
